FINASTRA

User Connect 2025:
A must-attend event for your team!

Finastra's annual conference series, exclusively for community bank and credit union customers, is back for 2025!

"**Finastra really wants you to understand what you have and what capabilities you may not be using.**"

Luke Lavergne
First Guaranty Bank

Designed for the end user of Finastra's best-of-breed tools, User Connect will showcase how Finastra can enable you to efficiently and effectively maintain your leadership position in the financial services industry.
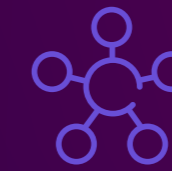

Choose from among many sessions featuring our flagship products **LaserPro, Mortgagebot,** and **Originate**, as well as in-depth training. We'll also cover the evolving regulatory landscape and our various cloud-enabled complementary products.

Two for one! Orlando will feature two conferences, User Connect as well as Ignite! 2025, the special annual event featuring Finastra's Core Phoenix, Digital Banking, Analytics, and Next Gen Mobile product suite!

Highlights of User Connect 2025 include:

Exclusive!
LaserPro Administrator Certification training

Enhanced!
More opportunities to network with your peers and with Finastra's subject matter experts

New!
Introducing specialized tracks for focused learning and enhanced expertise. Join us!

Learn!
Sessions include Workflow Automation, eSignature, Custom Document Management, and much more!

Energize!
Hands-on 'tips and tricks' sessions with ample opportunities to ask questions

Special!
Special guest speakers, demos, and some of our ecosystem partners
